LEADERSHIP

MCASOM Humanities Distinction Track Mentor , Rochester, MN <ul style="list-style-type: none">Advice Mayo Clinic medical students in the Applied Medical and Health Humanities program on their creative projects and program requirements.	2021 – present
--	----------------

Founding Member, Mayo Clinic Anesthesiology Global Health Collaborative, Rochester, MN 2021 – present

- Collaborate with five Mayo Clinic Anesthesiology residents to drive Global Anesthesiology-focused programming at Mayo Clinic and create relevant training opportunities for residents.

ALforHealth Steering Committee Member, Honeydew, South Africa 2018 – present

- Serve on the advisory board for the health network ALforHealth.

Co-chair, Tuck Africa, Tuck School of Business, Hanover, NH 2018 – 2019

- Worked with the club's executive team to plan Africa-centered academic and social events as well as support students of African descent on campus.

Voting Member, Committee on Student Performance and Conduct, Geisel School of Medicine, Hanover, NH 2017 – 2018

- Selected by medical school deans to be one of two student members on a committee that adjudicates on cases of poor academic performance or professional conduct.

Associate Director, Memory Café, Aging Resource Center, Lebanon, NH 2015 – 2016

- Coordinated monthly social sessions with a multidisciplinary team of five for people and families dealing with dementia.
- Worked as a medical student liaison to encourage medical student participation at sessions.

SPEAKING EXPERIENCE

Guest Speaker, Mayo Clinic Alix School of Medicine, Rochester, MN 2020 – present

- Facilitate discussions on writing as a reflective and therapeutic tool for medical students in Mayo Clinic School of Medicine Narrative Medicine classes.

Guest Speaker, Mount Holyoke College, South Hadley, MA October 2020

- Delivered presentation on navigating a medical career to Mount Holyoke College students at online event sponsored by seven college departments.

Women in Medicine Panel, Casting Light Network, Online October 2020

- Spoke along with two other panelists at an online event with 45 participants on the role of women and innovation in medicine.

Guest Speaker, Hackensack Meridian School of Medicine at Seton Hall, Nutley, NJ October 2019

- Promoted my anthology, and discussed my professional journey with Hackensack Meridian medical students and faculty.
- Facilitated small group discussions on wellness and wellbeing in medical training as well as the role of reflection and writing in medical training.

Student Investiture Speaker, Tuck School of Business, Hanover, NH June 2019

- Prepared and delivered investiture speech to 1200 attendees at the 2019 Tuck School of Business Investiture ceremony.

RESEARCH EXPERIENCE

Research Assistant, Neurology Department, Beth Israel Deaconess Medical Center, 2013 – 2014
Boston, MA

- Performed in-utero electroporation and stereotaxic brain surgeries on rats to study the genetic bases of dyslexia.
- Conducted pilot experiments to assess the anatomic strain differences in the effects of repeated mild traumatic brain injury in mice.

Research Assistant, Chemistry and Mathematics Departments, Summer 2010
Mount Holyoke College, South Hadley, MA

- Analyzed data on proton conduction in Perovskites (crystals with excellent proton conducting properties useful in fuel cell production) and compiled findings for a publication.

ADDITIONAL EXPERIENCE

Producer and Director, The Abiyamo Film, Blackness is...Arts Festival, May 2021
Minneapolis, MN

- Created, directed, and filmed a poetry visual album based on poems from my unpublished poetry collection, “The Sun Was Made from Dark Things,” for a virtual performing arts festival co-sponsored by the Guthrie Theater and the MN Black Theatre Circle.
- Collaborated with two artists across two continents to create original scoring and visuals for poetry film that explores the complexities of daughter-mother relationships.

Team Member, Shaping Future Governments Global Universities Challenge, February 2019
Dubai, U.A.E.

- Won the U.A.E government-sponsored global case competition with four other Tuck School of Business students against teams from top business and public policy programs by pitching a comprehensive 10-year development plan for a fictional war-ravaged country.

Participant, Pfizer Case Competition, Johns Hopkins Carey Business School, October 2017
Baltimore, MD

- Represented the Tuck School of Business with four other classmates at a Pfizer-sponsored case competition focused on increasing Prevnar-13 vaccine uptake among the elderly.

Participant, Emory Global Health Case Competition, Emory University, Atlanta, GA March 2015

- Represented Dartmouth College, along with an interdisciplinary team of five colleagues, in a case competition exploring gun violence reduction in Honduras.
